RESPONSE TO RESTRICTION REQUIREMENT

Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

In response to the Office Action in the form of a Restriction/Election of Species Requirement, Applicants elect the claims of Group I (claims 1-9 and 24-30) as drawn to a nucleic acid encoding the protein of SEQ ID NO:2 or its complement. Although Applicants do not agree with all of the groupings set forth in the Office Action, Applicants do not traverse the requirement splitting Group I from the remaining groups of claims.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Stephen A. Saxe".
